## WHAT IS THE WARR?

- The airliner world championship in road running (5k/10k) - but also a social event for a good cause, held yearly since 1982!
- Attended by 700+ runners and walkers from 60+ airlines around the globe!
- Parts of the sign-up fees go to a local charity

## WHAT DO WE OFFER?

- A timed 5k/10k run on a closed course - flat and fast!
- An event T-Shirt, high quality medals/trophies and a starter bag with goodies
- Multiple events: Post-Race Party (Sat), T-Shirt Swap (Fri) and Meetup (Thu)

## WHAT DO I NEED TO JOIN?

- Sign up fee: 45 CHF until 30 Apr, then 55 CHF
- Ideally at least one overnight stay (Fri), but possibly two (Fri, Sat) or three (Thu-Sat) - special hotel rates available!
- At least one Airline T-Shirt per participant for the T-Shirt Swapping Party
- One "Team Captain" per Team to attend the Captains Meeting on Friday

## ARE THERE PREREQUISITES?

- You should be an airline employee/retiree. You are however welcome to bring any other runners affiliated with your team, e.g. spouses, friends or family. Simply mark them as "non-airline runners" in the sign-up!

## I AM NOT A FAST RUNNER, SHOULD I EVEN JOIN?

- Absolutely! While for some the WARR surely has a competitive aspect, for the majority it is also a big social event to meet other airliners and jointly experience the host country. We also welcome many walkers every year: the average finisher time for the 5k in Auckland was 40m30s.
- And don't worry - for the team competition, only the fastest runners count, so you don't harm your team by posting a slower time.

## WE LOOK FORWARD TO RUNNING AND PARTYING WITH YOU!
